Winslow, An Evening of the Eagles, celebrate the iconic American Band The Eagles. This powerhouse ensemble from Hunterdon County, NJ recreates the live performance of The Eagles and the signature sound that made them one of the most successful artists in the 70's.

Winslow's multi-lead vocalists authentically capture the soaring 5-part harmonies, precise instrumentation, and stage showmanship as they perform The Eagles music catalog of greatest hits, deep cuts, as well as some of the solo work of Don Henley and Joe Walsh.

From their outstanding emulation of the acappella harmonies of "Seven Bridges Road" to the precision of dueling guitars in "Hotel California". Winslow delivers a true "Eagles" concert experience you will not forget.....
